1. OBJECTIVE OF THE SCORING SYSTEM

The scoring system for the Jack & Jill competition at Wild Divas 2026 aims to evaluate participants fairly, ensuring that each competitor is judged based on their skills in improvisation, musicality, and connection with their partner. Judges, selected from top artists worldwide, will score dancers based on objective and subjective criteria, ensuring transparency.

2. EVALUATION CRITERIA

Each dancer will be evaluated in key areas, scoring from 1 to 10 points in each category:

- ****TIMING:**** Scored based on precision in maintaining recognized timing.
- ****MUSICALITY:**** Ability to interpret the music and reflect nuances.
- ****TECHNIQUE:**** Quality of movements and clarity in execution.
- ****DIFFICULTY:**** Level of complexity in the dance performed.
- ****STAGE PRESENCE:**** Confidence and energy projected during performance.

3. SCORING SYSTEM

Each judge scores from 1 to 10 for each criterion:

- 1-3: Insufficient
- 4-6: Acceptable but improvable
- 7-8: Good, with room for improvement
- 9-10: Excellent execution

The final score is the average of all judges' scores, with the highest and lowest scores removed to avoid bias.

4. JUDGING METHOD

A panel of odd-numbered judges (minimum of 5) will evaluate independently, with audience votes contributing to a special award in the finals.

5. PENALTIES AND DISQUALIFICATIONS

****Reasons for Penalty (-3 Points):****

- Evident disconnection with the partner.
- Lack of musicality.
- Excessive use of tricks.

****Reasons for Disqualification:****

- Use of pre-established choreographies.
- Inappropriate behavior.
- Non-compliance with event rules.

6. WINNER ANNOUNCEMENT PROCESS

Judges will review scores for accuracy, and top placements will be announced, with a tiebreaker round if necessary. Winners will be awarded at the event's final gala.
